ONE-DAY CONFERENCES

Southern California

The Thanksgiving season of 2024 was foreshadowed in Southern California with the ICPF One-Day Conference which was held on the 9th of November at IPC Hebron church in Los Angeles. Giving God the glory for who He is and being thankful for what He has done was the fine thread that ran visibly throughout the day. The worship teams from the ROCK church, India Christian Assembly LA, and IPC Hebron LA, led praise and worship in the morning, afternoon, and evening sessions.

Bro. Renju Abraham, Keziah Thomas, Charles Wilson, and Daniel Kuruvilla led the various sessions of the Conference. All were blessed by the spiritually nourishing messages of Pastor Felix Chivandire based on the theme "ENTRUSTED" from 1 Thessalonians 2:4. It was a joy to witness many youths coming forward to commit their lives to share the Gospel with those around them.

The Open Forum in the afternoon witnessed a deluge of questions from the attendees, which were met with thoughtful answers by the panel comprising of Pastor Felix, Dr. Thomas Cherian, Pastor Sabu Samuel, and Dr Joy Clement.

A brief overview of ICPF ministry in general and ICPF USA in particular was given by Evg.Simjan Jacob, followed by a briefing on US Missions and Local Chapters by Pastor Joshin John, both who are members of the ICPF USA Board of Directors. Subsequently, a committee was selected for the smooth functioning of the ICPF ministry in Southern California.

Delicious food served for lunch and early dinner by the team of dedicated uncles and aunties of IPC Hebron church satisfied every individual. With commitment by one and all to serve Christ and His kingdom, as well as to reach out to the lost souls with the Gospel which is the only solution for a wicked and perishing generation, the meeting concluded by 8 pm.
